OAMC

OSHOGWE ANDREW MANAGEMENT CONSULTANCY

Management & Development Intelligence for Impact

INDEPENDENT. OBJECTIVE. INSIGHTFUL.

Turning Intelligence into Bankable Opportunities. Driving Development. Creating Lasting Impact.

OAMC DEVELOPMENT OPPORTUNITY INTELLIGENCE

DISCOVER • PRIORITIZE • PREPARE • CONNECT • DELIVER

From Opportunity to Impact. Intelligence that Drives Prosperity.

We identify, analyze and validate high-potential development opportunities across communities, sectors and value chains — generating actionable intelligence that enables informed decisions, strategic investments and sustainable outcomes.

WHAT WE DO

- Scan environments and markets for emerging opportunities
- Assess needs, assets, gaps and enabling factors
- Analyze technical, economic, social, environmental and institutional viability
- Score, prioritize and build opportunity profiles
- Develop bankable concept notes and investment ready packages
- Connect opportunities to financiers, partners and implementers
- Track and update opportunities through our intelligence system (DORI™)
